

Offers to work from home

Before answering a classified ad offering people an opportunity to work from home, study it carefully. If in doubt, seek advice from an informed person.

ATTENTION: Be careful if you are being asked to pay to work. This is often a tactic to sell you material or get money from you. Serious businesses provide you with everything you need free of charge.

Beware of any businesses that:

- ask you to send them your banking information;
- promise high income for little effort;
- remain vague as to the nature of the work to be done;
- ask you for an electronic transfer or remittance of funds.
